

Ashe Youth Football League 7th & 8th Grade 2019 Season

June 6, 2019

Parents and Athletes,

As many of you have heard the positive buzz regarding the changes to the 2019 Middle School Football Program, we are excited to announce that the Ashe Youth Football League will be managing the 7th & 8th Grade Program this year.

This letter is sent with great intentions to provide all the details that we have available at this time.

Director of AYFL: Larry Bare

2019 Coaching Staff Confirmed @ this time:

Andy Cheek Wil Taylor

Matt Peters Steve Brown

Joey Burgess Ethan Shepherd

Chad Fairchild

*We also will have some great guest / position coaches that will be helping occasionally that we are excited about.

Our staff visited the rising 7th & 8th graders prior to the end of the school season, handed out literature and briefly discussed the changes. The response to the programs changes was incredible and the student athletes provided some feedback that has been extremely motivating for our staff.

AYFL has made a strong commitment to this program and has committed to purchasing a lot of new equipment including helmets, shoulder pads, etc. We will also be dressed in "New" Jerseys this year and branded as Ashe Huskies.

We will be posting and reaching out through our resources and best channels of communication, all the details including: Pre-Season Summer Work-Outs; Ashe Cross Fit Partnership; Belt Battle by 1 CHAMPION; Registration Forms; Practice; Game Schedules, etc.

Please help us share this information, as our goal is to reach all student athletes that want to play football.

In closing – Our staff is not only excited about the upcoming season and all the energy surrounded by this program, but it should be noted that our goal is to create unity, leadership, and develop positive attitudes. Remember: Coaches, Quotes, New Equipment, etc. won't work unless everyone is committed to share in a common goal.
