

# Chromebook Login Tutorial

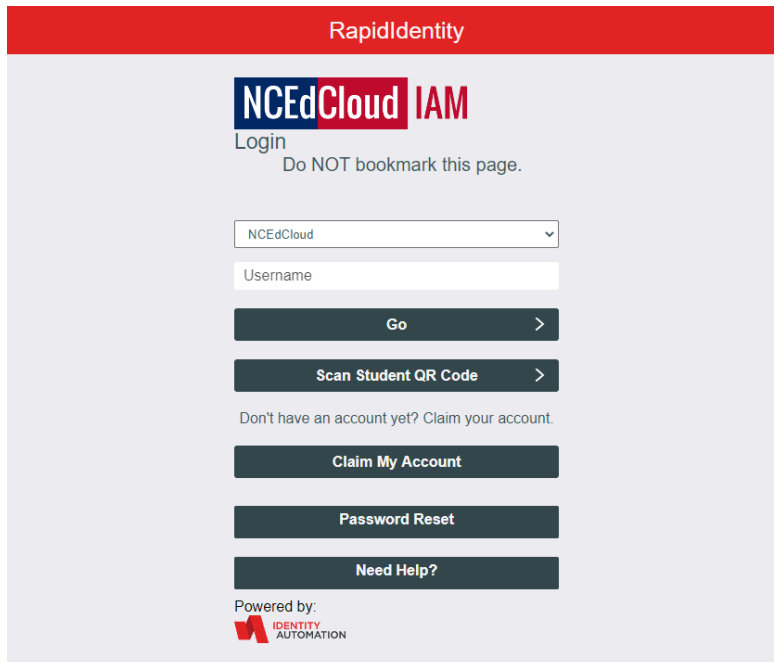

Please charge Chromebook prior use.

Connect to your Wi-Fi connection:

The image shows a Chromebook's network selection screen. At the top, there is a blue Wi-Fi icon with an information symbol. Below it, the text "Network not available" is displayed. A message states: "Please connect to the Internet to sign in to your Chromebook. If you've already registered on this device, you can [sign in as an existing user](#)." Below this message is a list of available Wi-Fi networks: "ACS\_WIFI", "WWES-Guest", "WWES-Faculty", and "Add other WIFI network". Each network is preceded by a Wi-Fi icon. At the bottom left, there is a "Back" button with a left-pointing arrow.

**Sign into NCEdCloud using your student ID or scan you QR code:**  
(i.e. 1234567890 or scan your QR Code)

The image shows the NCEdCloud IAM Login screen. At the top, there is a red header with the text "RapidIdentity". Below the header, the "NCEdCloud IAM" logo is displayed, followed by the word "Login". A note says: "Do NOT bookmark this page." Below this, there is a dropdown menu with "NCEdCloud" selected. Underneath is a "Username" input field. There are three buttons: "Go", "Scan Student QR Code", and "Claim My Account". Below these buttons, there are two more buttons: "Password Reset" and "Need Help?". At the bottom, it says "Powered by:" followed by the "IDENTITY AUTOMATION" logo.
