## Habit 1 — Be Proactive

### You're in Charge

I am a responsible person. I take initiative. I choose my actions, attitudes, and moods. I do not blame others for my wrong actions. I do the right thing without being asked, even when no one is looking.

## Habit #8 - "Find your voice and inspire others to find theirs."

The essence of this habit is that you will find your voice when you can say you are 100% involved with what you are doing in your life, so that your body, mind, heart and spirit are all engaged in whatever is important to you. To find your voice, you need to examine your natural talent, what you absolutely love to do, what really interests you. And you must listen to the confirming inner voice of your conscience that tells you what is the right thing to do. (<https://www.johnbippus.com/information/the-8th-habit/>)

## Things to Remember!

## Be Resilient

Resilience is your ability to bounce back when you face tough times, when something in your life changes, or when you experience failure. It's OK to get discouraged and frustrated, but a resilient leader is going to get back into the game and keep trying.
