

## MINUTES

### ASHE COUNTY BOARD OF EDUCATION

February 1, 2010

The February meeting was held at Westwood instead of the Board of Education Annex as planned due to weather and parking conditions. All Board members were present. Prior to the regular meeting, a reception was held honoring National Board recipients, Teacher of the Year and nominees, Principal of the Year, Teacher of Excellence for Exceptional Children, and National Award for Entrepreneurship. Chairman King called the meeting to order, welcomed those in attendance, and led the Pledge of Allegiance.

Following the addition of an overnight trip request from Blue Ridge sixth grade class (item 13.a), the addition to attachment 5 (item 16), and the addition of closed session, the agenda for the meeting was approved by general consensus.

A motion by Mr. Jones and a second by Dr. Beckworth gave unanimous approval to the minutes for the regular meeting of the Board on January 4, 2010.

A motion by Mr. Jones and a second by Dr. Beckworth gave unanimous approval to adopting the *Integrated Pest Management Policy*.

A motion by Mr. Weaver and a second by Dr. Beckworth gave unanimous approval to amending Policy 4150, *School Assignment* after striking the last sentence of section B.1 and adding the following requirement to the admission of a nonresident student under section C:

- reciprocal tuition will be paid by a nonresident student coming from a county that charges tuition to Ashe County residents.

Superintendent Reeves presented a proposal for the reorganization of bus routes for the 2010/11 school year, stating that he plans to hold a public hearing in the near future to explain the proposal and present new bus lines. Students in the proposed area of the county are presently transported by buses to Mountain View, but under this proposal, would attend Blue Ridge beginning 2010/11 school year. The proposed area is 2 miles closer to Blue Ridge than Mountain View and would affect 33 students at this time. This recommendation is based on efficient utilization of facilities, efficient operation of buses, continuity of attendance, and continuity of neighborhoods.

Curriculum Director (grades 7-12) Keith McClure presented Ashe County Schools' statewide rankings for 2007/08. Mr. McClure explained that the data was collected and presented by Iredell-Statesville Schools and contained financial, academic, economically disadvantaged, and graduation rate components. Ashe County Schools ranked 13 of 115 school systems statewide. Mr. McClure stated that Ashe County Schools have performed extremely well and that this data will be used to set goals in areas that need improvement.

A motion by Mrs. Witherspoon and a second by Mr. Jones gave unanimous approval to the 2010 Endowment Fund Grants as recommended. There were 17 applications and 7 grants awarded. Grants totaling \$5,000 were awarded and those recipients will be recognized at the March Board meeting.

Superintendent Reeves gave an update on the current school calendar and the number of days missed due to inclement weather. A letter will be sent home informing parents that Saturdays will be used as needed to make up days missed that were not included in the calendar for this purpose. In order to attend school on a Saturday, a day during that week must be missed. Days missed may be added at the end of the school year or taken from spring break. Superintendent Reeves would like to survey staff as to their preference on these options.
