# ACS Wins Innovative Partner Award

Ashe County Schools has been named the Appalachian State University College of Education Innovative Partner of the Year! We are so proud of our teacher leaders who created extended learning experiences for students!

Congratulations to the team from Mountain View Elementary, who shared their innovative summer learning adventure *"More Green Time, Less Screen Time - Cultivating Community Connections for Summer Learning."* Dr. Eisa Cox, Superintendent, and Casey Smith, Elementary Curriculum Coordinator, supported the team.

## Colvard a Finalist

Congrats to **Megan Colvard**, ACHS Nursing Teacher, named a FINALIST for the 2026 NC CTE Teacher of the Year Award! She'll be honored this summer and represent Ashe County in December. Best of luck to Mrs. Colvard. We're proud of her passion, excellence, and the lasting impact she makes on our students every day!

# Teachers Earn National Board Certification

Congratulations to **Lindsey Hagel** (WWES Literacy Specialist), **Jill Baldwin** (MVES Literacy Specialist), and **Luke Eggers** (Project Lead the Way at ACMS) for achieving National Board Certification! In May, these exceptional educators were recognized for their hard work, dedication and excellence at the National Board Celebration hosted by the Appalachian State University Alumni Association.

One of the most prestigious accomplishments in the teaching profession, National Board Certification reflects a teacher's unwavering dedication to excellence and their ongoing commitment to enhancing student learning and success. We're incredibly proud of these exceptional educators and thankful for the difference they make each day in our schools. Ashe County Schools is honored to have 27 active National Board Certified teachers on our team!

*Well done!*

*L-R: Dr. Betsy Rosenbalm, Director of Partnerships & Engagement at **Appalachian State University**; Julie Wilson Little, Math Specialist at Ashe County Schools and NC New Teacher Support Program Instructional Coach at Reich College of Education at Appalachian State University; Lindsey Hagel; Karen Walker, NC New Teacher Support Instructional Coach; Jill Baldwin; and Luke Eggers.*

## EOP Winners!

**Jacki Miller**, ACMS Finance Secretary/Payroll Specialist, and **Elaine May**, Central Support Services Accounting Specialist, were chosen by their colleagues as Educational Office Professionals (EOPs) of the Year: Elaine for her exceptional leadership as this year's EOP President, and Jackie for her years of service and contributions, which leave a lasting impact as she begins a well-earned retirement. In June, these ladies were surprised with balloons and plaques in honor of their outstanding work and dedication. Great job, and congrats!

# Empowering Innovation in the Classroom

Ashe County Schools proudly honored 29 educators at the June Board of Education meeting as recipients of 2025 Endowment Fund grants. Fourteen creative projects were selected for funding to enhance student learning across the district. Congratulations to all the winners!

“These grants represent the passion, creativity, and dedication of our teachers,” said Dr. Eisa Cox, ACS Superintendent. “We are so proud of their commitment to enriching our students’ educational experiences and grateful to the Endowment Board and our supporters for making it possible.”

# Skills in Session: SBEs at Work

School-Based Enterprises (SBEs) are launching—and growing—in all our separate setting classrooms! These student-run businesses help build vital life skills like communication, money management, and teamwork. SBEs are powerful tools for students with disabilities to build skills in communication, social interaction, money management, following directions, sequencing, job roles, independence, and more—all while boosting confidence and teamwork. More SBEs are set to launch this fall, so stay tuned for updates and success stories.

*Snacks, anyone? Shoutout to the ACMS Coffee Cart, run by the amazing entrepreneurs in Cori Richardson's class!*

# Hard Work Pays Off

Our second cohort of educators have earned their LETRS (Language Essentials for Teachers of Reading and Spelling) certification! More than 100 Ashe County Schools educators are now certified in this prestigious professional learning credential—a testament to our teachers' passion for literacy and belief in every child's potential.

## Congratulations on reaching this milestone:

**Jessica Yates** (second from left) and **Kristy Aldridge** (fourth from left), school counselors at ACMS and Ashe Early College, presented at the Group Counselor Network Showcase in Morganton, sharing valuable strategies for boosting student success. Thanks to support from GEAR UP Appalachian, all of our 7th–12th grade counselors have taken part in and/or completed ASCA National Model training.

From increasing achievement and improving attendance to guiding students toward life beyond high school, we're proud of how our counselors are not only growing their own programs, but also giving back by sharing what they've learned with others across the region.

# Bower to Lead Transportation

Ashe County Schools is pleased to name **Charles Brandon Bower** as the district's new Director of Transportation, effective June 9. His selection was approved by the Ashe County Board of Education at their June meeting.

With 12 years of experience in education, Bower began his career teaching middle school math in Wilkes County before joining Ashe County Schools. He taught sixth-grade math and science at Mountain View Elementary for five years, served as a summer ACS Career Accelerator Program Administrator, and has most recently been Ashe County Middle School Assistant Principal during the 2024–2025 school year.

Bower earned both his Bachelor of Science in Middle Grades Education and his Master of School Administration in Educational Leadership from Appalachian State University. His commitment to education was recognized early on through the prestigious North Carolina Teaching Fellows Scholarship (2009–2013) and the Pamela Schram Scholarship (2012–2013).

Reflecting on his new and different role, Bower said, “I’m honored to serve our students and families in this capacity. Safe and efficient transportation is critical to student success, and I look forward to working alongside our dedicated transportation team to support the needs of our schools and community.”

Superintendent Dr. Eisa Cox added, “Mr. Bower brings both leadership experience and a commitment to our students to this new role. His understanding of our district, the roads, our people, and our community makes him well-positioned to ensure safe, reliable, and student-centered transportation services across the county.”

Bower resides in Lansing with his wife, Amber, and their daughters, Hollyn and Ansley. When not at work, he enjoys fishing, hiking and camping.

We wish Mr. Bower well in his new leadership role.

# Next Phases ...

We extend our heartfelt thanks to this year's retirees for their years of dedication, compassion, and impact. Their wisdom, patience, and encouragement have shaped the lives of students and colleagues alike, and their legacy will continue to inspire. Thank you for everything—you will all be missed!

## CENTRAL SUPPORT SERVICES

Johnny Speaks

Mrs. Lisa Ashley is transitioning to a new role in Alleghany County after 13 years of dedicated service to Ashe County Schools—six of those years in the transportation department and the last two-and-a-half years as Transportation Director. “We extend our thanks to Mrs. Ashley for her commitment to student safety and operational excellence,” said ACS Superintendent Dr. Eisa Cox. “Her leadership—particularly through the challenges brought by Hurricane Helene and this year’s severe winter weather—has been deeply appreciated.”

**THANK  
YOU**

## Best of the Best

On June 3, we celebrated some of our brightest stars at the 2nd Annual Superintendent's Best of the Best Dinner, held at Timber Rivers in Lansing. The top five graduates from Ashe Early College and the top 15 grads from ACHS were recognized for their outstanding achievements—in academics, athletics, music, volunteer work, and more. With GPAs ranging from 4.446 to 4.776 and scholarship offers in the hundreds of thousands, these students were celebrated by family, school leaders, Superintendent Dr. Eisa Cox, and members of the Board of Education. **We are proud of of ALL our graduates and can't wait to see what they'll accomplish next.**
